I also understand that in submitting these forms on our behalf, representatives of Kellogg & Sovereign Consulting are making certifications for our school and/or library system. By signing this letter of agency, I make the following certifications as required by the FCC¹:

I certify that the school(s) I represent are eligible for support because they are schools under the statutory definitions of elementary and secondary schools found in the No Child Left Behind Act of 2001, 20 U.S.C. §§ 7801(18) and (38), that do not operate as for-profit businesses and do not have endowments exceeding \$50 million.

I certify that the entities I represent will secure access separately or through this program, to all of the resources including computers, training, software, internal connections, maintenance, and electrical capacity, necessary to use the services purchased effectively. I recognize that some of the aforementioned resources are not eligible for support. I certify that I have considered what financial resources should be available to cover these costs. I certify that the entities I represent will secure access to all of the resources to pay the discounted charges for eligible services from funds to which access will be secured in the applicable funding year(s). I certify that the Billed Entity will pay the non-discount portion of the cost of the goods and services to the service provider(s).

I certify that, if required by Commission rules, all of the individual school(s) I represent are covered by technology plans that cover all 12 months of the applicable funding year(s), and that have been or will be approved by a state or other authorized body or an SLD-certified technology plan approver prior to the commencement of service.

Letter of Agency-E-Rate FY 2010-13, Page 2

I authorize Kellogg & Sovereign[®] Consulting, LLC to post my Form 470 and (if applicable) make my RFP available for at least 28 days before the applicant considers all bids received and selects service providers. I certify that all bids submitted will be carefully considered and the bid(s) selected will be for the most cost-effective service or equipment offering, with price being the primary factor, and will be the most cost-effective means of meeting educational needs and technology plan goals.

I certify that I will review all applicable FCC, state, and local procurement/competitive bidding requirements and that the entity or entities I represent will comply with them.

I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. §§ 54.500, 54.513. Additionally, I certify that the entity or entities listed on our forms have or will not receive anything of value or a promise of anything of value, other than services and equipment sought by means of forms submitted with the Schools & Libraries Division, from the service provider, or any representative or agent thereof or any consultant in connection with the request for services.

I certify that I and the entity(ies) I represent will comply with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments. There will be signed contracts covering all of the services listed on the Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.

I certify that I will retain required documents for a period of at least five years after the last day of service delivered. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the form for, receipt of, and delivery of services receiving schools and libraries discounts. I acknowledge that I may be audited pursuant to participation in the schools and libraries program.

I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) I represent. I certify that I am authorized to sign this Letter of Agency and all information to be provided to Kellogg & Sovereign[®] Consulting, LLC for the E-Rate submission will be true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to the associated applications have complied with the terms, conditions, and purposes of this program, that no kickbacks were or will be paid to anyone and that false statements on FCC forms can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. §§ 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001 and civil violations of the False Claims Act.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on our FCC forms, or any person associated in any way with my entity and/or the entities listed on our FCC forms, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the schools and libraries support mechanism.

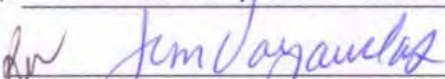

I certify that if any of the funding requests listed on our FCC forms are for discounts for products or services that contain both eligible and ineligible components that Kellogg & Sovereign[®] Consulting, LLC on our behalf will allocate the cost of the contract to eligible and ineligible components as required by the Commission's rules at 47 C.F. R. § 54.504(g)(1),(2).

I certify that funding requests included on the related FCC forms will not constitute a request for internal connections services, except basic maintenance services, in violation of the Commission requirement that eligible entities are not eligible for such support more than twice every five funding years as required by the Commission's rules at 47 C.F. R. § 54.506(c).

I certify that the non-discount portion of the costs for eligible services will not be paid by the service provider. The pre-discount costs of eligible services featured on the applicable FCC forms will be net of any rebates or discounts offered by the service provider. I acknowledge that, for the purpose of this rule, the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a rebate of some or all of the cost of the supported services.

I certify that prior to the commencement of service, the school(s) I represent will be in compliance with the requirements of the Children's Internet Protection Act, as codified at 47 U.S.C. § 254(h) and (l) .
